Supplemental disclosure with respect to cash flows- Note 15

NOTES TO THE CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS For six months ended March 31, 2018 (Expressed in Canadian dollars) (Unaudited)

1. NATURE AND CONTINUANCE OF OPERATIONS

CMC Metals Ltd. (the "Company") is incorporated in the Province of British Columbia and its principal activity is the acquisition and exploration of mineral properties in Canada and the United States of America. The Company is listed on the TSX Venture Exchange ("TSX-V").

The head office, principal address and records office of the Company are located at 605 – 369 Terminal Avenue, Vancouver, British Columbia, Canada, V6A 4C4.

These consolidated financial statements have been prepared on the assumption that the Company and its subsidiaries will continue as a going concern, meaning it will continue in operation for the foreseeable future and will be able to realize its assets and discharge its liabilities in the ordinary course of operations. Different bases of measurement may be appropriate if the Company is not expected to continue operations for the foreseeable future. As at March 31, 2018, the Company had not advanced its properties to commercial production. The Company's continuation as a going concern is dependent upon the successful results from its mineral property exploration activities and its ability to attain profitable operations and generate funds there from and/or raise equity capital or borrowings sufficient to meet current and future obligations. These uncertainties indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. Management intends to finance operating costs over the next twelve months with loans from directors, by continuing to pursue additional sources of financing through equity offerings, seeking joint venture partners to fund exploration, monitoring exploration activity and reducing overhead costs.

As a result of the Company not making the required principal, interest and extension fee on the Promissory Note (Note 8), the Promissory Note is in default as at March 31, 2018, and the date of the approval of these condensed consolidated interim financial statements. The Promissory Note is secured by a deed of trust related to the Radcliff Property (Note 4), the Company's primary project (Note 16).

The financial statements were authorized for issue on May 29, 2018, by the directors of the Company.

2. SIGNIFICANT ACCOUNTING POLICIES AND BASIS OF PRESENTATION

Statement of compliance

The Company applies International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB") and Interpretations issued by the International Financial Reporting Interpretations Committee ("IFRIC"). These unaudited condensed consolidated interim financial statements have been prepared in accordance with International Standard 34, Interim Financial Reporting. Accordingly, they do not include all of the information required for full annual financial statements required by IFRS as issued by the IASB and interpretations issued by the IFRIC and should be read in conjunction with the consolidated financial statements as at September 30, 2017.

3. RECLAMATION BONDS

The Company has a current reclamation bond held in trust by the Bureau of Land Management. As at March 31, 2018, the reclamation bond consisted of a deposit made by the Company for indemnification of site restoration in the amount of \$246,545 (September 30, 2017 - \$243,688) on the Bishop Mill Property (Note 5).

The Company was further required to issue 1,000,000 common shares by July 5, 2007. The Company did not issue the shares by the due date and the fair value of the shares at the time of \$300,000 was recorded as an obligation to issue shares, with a corresponding entry to exploration and evaluation assets. These shares were issued by the Company during the year ended September 30, 2017.

The Company fully impaired the Silver Hart property in previous years.

The Silver Hart Property is security for a loan due to a director of the Company (Note 9).

Radcliff Property

On March 1, 2011, and as amended November 15, 2011, the Company entered into a letter of intent with Pruett Ballart Inc. ("PBI"), to acquire up to a 50% interest in certain claims, comprising the Radcliff Property located in Inyo County, California. The Company acquired a 50% interest through cash payments of US\$400,000 (CDN\$515,600) and US\$50,000 (CDN\$64,470).

- US\$100,000 (CDN\$100,000) (paid) upon execution of the Acquisition Agreement; and
- US\$900,000 upon closing of the Acquisition Agreement on April 16, 2012.

The Company and PBI agreed that the Company will pay for all of the consideration to acquire the additional claims. In consideration, the Company will be reimbursed the funds in excess of their required contribution from any future revenues which may be generated from the Radcliff Property.

On April 11, 2012, the Company paid US\$100,000 (CDN\$100,000) of the US\$900,000 due.
